3 1 2

Beautifully renovated from front fence to back lane, this three-bedroom home pairs clean design with everyday comfort. The layout flows easily, with bedrooms grouped up front and open plan living stretching out to the rear, where indoor and outdoor zones connect like they were always meant to be. With Lambton Pool and park literally on the doorstep, and Elder Street shops and cafés just moments away, this is a home that makes daily life feel easy, and weekends even better.

The contemporary Caesarstone kitchen anchors it all, complete with a café-style bi-fold window that turns the deck into an extension of the bench making it perfect for passing plates, pouring drinks, or keeping an eye on kids at play. Outside, the covered deck is built for year-round use,
